## FRANCOIS PARENT

*Jancis Robinson*  
JancisRobinson.com

### *François Parent, Grand Cru 2017 Corton-Charlemagne*

**16/20**

Surprisingly light nose and not that much weight on the palate. Racy and with some fruit concentration. Grapefruit and lime – aggressive citrus fruit.

### *François Parent 2017 Bourgogne*

**15.5/20**

Tank sample. Expensive? Lots of bright fruit with some bitter-cherry quality. Pretty tough, drying finish.

### *François Parent 2017 Gevrey-Chambertin*

**16+/20**

Tank sample. Mid garnet. Lots of richness and structure. Should develop pretty well and provide a worthy expression of this village. Even if not cheap!

### *François Parent 2017 Morey-St-Denis*

**16/20**

Tank sample. Particularly pale ruby. Lively but a rather light expression of this interesting village. Sandy tannins on the end.

### *François Parent 2017 Nuits-St-Georges*

**16/20**

Tank sample. Light nose with some sweet oak. Not quite enough drive but with pure fruit and some freshness.

### *François Parent, Les Brouillards Premier Cru 2017 Volnay*

**16.5+/20**

Tank sample. Bright crimson. Glacé cherries on the nose. Then real precision on the palate. Not sure I'd guess Volnay as it seems a bit more aggressive than Volnay but it's good wine!
