

Dear Parent-Gros Family,

I hope this message finds you well. I want to thank all of you for the wonderful reception you put together for us and all of the work that went into it. We really enjoyed lunch, and learning more about your family, business and lovely wine towns of Beaune and Pommard. It was a real pleasure to have met all of you.

We have a lot of work to do in the editing and writing departments which are all staffed by me, myself and I. I will be following up with you along the way and will keep you updated.

With Very Best Regards,
