News Statement

A cuvée

“Sulfite Free but **WITH** antioxidant”

The limited production of **2800 bottles of Domaine AF GROS Bourgogne Hautes Cotes de Nuits 2016 is proposed 100% sulfite free**. We replaced the SO2 by a natural adjuvant composed of tannins.

If everything goes well for the new coming vintage 2017, we plan to use this adjuvant for the entire production of the Domaine from this vintage.

Stay tuned!
