**DOMAINE A.F. GROS**

The Domaine AF GROS cultivates 33 acres in Côte d'Or & Beaujolais in Burgundy. These wines are crafted by Mathias Parent and distributed worldwide by Caroline Parent. The soils are cultivated traditionally to avoid chemical use & respect their natural qualities.

Wine is a living thing. Our wines are not systematically filtered, it is possible that some noble & natural sediment settles at the bottom of the bottle.

This wine has been meticulously cared for in our cellars for 2 years. To properly conserve this wine and provide an optimal evolution, the bottle should always be kept between 54°F ( 12°C) and 60 °F ( 15 °C ) , and in a relative humidity between 80-85 %.
