PRODUCTION PROCESS LETTER

WINE NAME: Pommard 1er Cru les Arvelets 2013 Domaine AF GROS

CLASSIFICATION: Pommard 1er Cru les Arvelets Appellation d'Origine Protégée

ALCOHOL BY VOLUME: 13 % VOL

GEOGRAPHIC AREA: Bourgogne - France

SOIL: Clay-limestone soils with good drainage at an average altitude of 300 meters.

GRAPE VARIETIES: 100% Pinot Noir

COMPOSITION : Natural Wine + Sulphites (SO₂)

VINIFICATION: For the winemaking process, we use stainless steel tanks and oak barrels. Cold maceration (5°C) is done for about 3-5 days to extract flavor and color. During that time, we do some *remontage* (pump over) to keep a good contact between solid and liquid parts. After 5 days, the tanks are heated up to 25-30°C for over 10 days.

The wood for the oak barrels come primarily from forests of Chatillonnais and Fontainebleau. Two thirds of this wine is aged for an average of 12 months (50% new oak).

STANDARDS:

AOC. Traditionnal vinification conform to the legislation of its appellation.

1 – Meet hygienic requirements (Regulation (EC) 1852/2004 OF THE European Parliament and 29 april 2004 on the hygiene of foodstuffs.

2- Concil Regulation (EC) 1493/1999 of 17 May 1999 on the common organization of the market wine.
