

ARMIT WINES

Date 4th February 2020

We hereby certify that we have been informed of the sales conditions of SAS Domaine AF GROS and SAS François PARENT (Maison PARENT-GROS) regarding the transportation of their wines for the coming orders. These conditions are listed below :

SAS Domaine AF GROS and SAS François PARENT

- Sales conditions are and will remain EXW (Ex- Cellar in Beaune)
- Administrative fees of 150€ HT will be charged for any special demands like certificate of origin, Certificate of analyses, or UPS/ DHL mails.
- The freight forwarders used for loading the wines must be registered to our local customs authorities.
- EX1 document for each EAD/ Shipment must be returned to the exporter (either Domaine AF GROS or François PARENT). In the case the document is not sent back, the payment of the French VAT corresponding to 20% of the total amount of the invoice will be due by the buyer.
- All our wines are made with passion from the grapes to the bottle. We take extra care to bring you our best, and we advise you that the transportation conditions are part of the quality of our wines when they reach our customers. Then we inform you that we will refuse to load the wines from April to October in trucks with no air conditioning if the T° is over 25 C°.

We accept all these conditions.
